

Pozzability- Journey into work

Meaningful pathways to:
employment, training
or volunteering for people
living with a disability

European Union
European
Social Fund

The project is part-funded by the European Social Fund

Pozzability- Journey into work

Support and mentoring into new opportunities

- Do you want to get back into work but need additional support?
- Have you considered self-employment but not sure where to start?
- Would you like training for a new career?
- Does volunteering to help your community appeal to you?

If you are not working and you are living with a disability you could be part of the Pozzability programme!
